Team/Parent Contacts & Hospitality Table/Tent

Team/Parent Contacts To help make the time players and their team followers spend in Western Mass. most enjoyable, the local league will assign each visiting team a Parent/Team Contact.

The Parent/Team Contact will meet their assigned team at the opening banquet. If parent of a Westfield player, he/she will introduce his/her son from the Westfield team and provide the team with a complete Western MA Resource Manual to guide them during their stay in the area. The Team/Parent Contact will answer any questions that arise and will provide the team with his/her cell phone number in case of an emergency.

The Team/Parent Contact will meet with team followers prior to their first game at Bullens Field. A Team/Parent Contact will be stationed at the Hospitality Tent at the field beginning ½ hour prior to all games and continuing until the start of the next game.

We hope the Team/Parent Contact will be a valuable resource to teams and their followers during their stays in Western Mass.

Hospitality Table/Tent Our many volunteers are working hard to make the series experience a memorable one for each participant.

To respond to questions and arm visitors with information about the area, a Hospitality Table will be staffed in the second floor lobby of the Sheraton, on Tuesday and Wednesday, August 6 (during Orientation Sessions) and 7 (before and after the banquet).

A Hospitality Tent will be staffed at the field during games beginning with the first game scheduled for Thursday, August 8 and continuing through the championship game scheduled for the 15th.
