## World Series Travel, Busing & Manager Rental Cars

**Overview** Team travel arrangements for the team manager, coaches and players will be made by Babe Ruth headquarters. Any questions regarding team travel arrangements should be directed, to Babe Ruth Headquarters. Busing from the airport/train station to the host hotel (and back) will be provided by the local league. One rental car will be provided by the local league to the team manager or a coach. Details on busing and rental car assignments follow.

**Team Arrival/Departure Transportation** Upon arrival at Bradley International Airport each team will be met by a Greater Westfield Babe Ruth representative who will guide them to their transportation to the Hotel. You will be met at the Hotel by other Babe Ruth representatives.

The drive to the Sheraton Hotel will be about 20 minutes.

Only Team members, coaches and the manager will be allowed on the bus with their equipment. Parents and/or other travelers with the players should make arrangements for their own transportation.

We will monitor your actual arrival and departure time and be prepared for any alteration caused by delay or other factors.

Return buses will be available to take team members, coaches and the manager back to the airport in plenty of time to meet their return flight on the date of departure.

**Manager/Coach Transportation** Team Managers will be provided a vehicle for use during the World Series, or their stay in Westfield, whichever is shorter. Cars will be able to seat 4 adults with normal trunk space.

Each Manager should fax (413.786.7658) or email ([rentallstar@aol.com](mailto:rentallstar@aol.com)) to All\*Star Car and Truck Rental, located at Sarat Ford/Lincoln (lessor), the declaration page of their car insurance coverage immediately on determining your eligibility for the World Series, along with a note describing who you are and affiliation with Babe Ruth. If you have occasion to call All\*Star Car and Truck Rental at 413.786.5882, please identify yourself in association with Babe Ruth.

If you have no need for a car, please contact John Moren at 413.519.4090 or [jom4842@gmail.com](mailto:jom4842@gmail.com) to let him know, so he can notify lessor and release availability of a car.

Your personal insurance policy needs to have full comprehensive and collision. If it is not part of your policy, you will be required to purchase it from the lessor. You will also need to be at least 25 years of age, have a valid U.S. or Canadian driver's license and present a major credit card. Costs associated with insurance purchased from lessor are borne by lessee.

Managers will be transported from the Hotel upon arrival from the airport to the lessor to pick up their vehicle, and will be guided back to the Hotel. If your arrival is later than the open hours of the lessor, you will be transported to the Manager breakfast the following morning and subsequently to the field. It is there that the paperwork will be completed and your vehicle will be ready for you.

Return of the vehicle will be by pick up at the Hotel garage by lessor. You need not be present for return. Keys should be left in the car glove compartment the morning of departure. DO NOT attempt to leave keys at the hotel front desk.

In case an issue comes up with your vehicle, you are to notify John Moren at 413.519.4090 (cell) and lessor at 413.786.5882 immediately. Depending on the circumstances, Greater Westfield Babe Ruth will help Manager as needed.
